Disclaimer: The total return performance figures quoted are historical, calculated using soft close, end-of-month mid-prices and do not allow for the effects of income tax or inflation. Total returns assume the reinvestment of all distributions. The performance is quoted net of all fees and expenses. The index does not incur these costs. This information is provided for general comparative purposes. Soft close unit prices are interim unit prices struck at month end before all transactions for the month have been completed. Performance data available on the Vertium website, vertium.com.au, however, is based on hard close unit prices which are struck after all transactions for the month have been completed. ^ Month-end unit prices are hard-close and cum-distribution. # In order of highest to lowest weighting at the end of the reported month. Past performance is not a reliable indicator of future performance. Positive returns, which the Vertium Equity Income Fund (the Fund) is designed to provide, are different regarding risk and investment profile to index returns.
